Are Your FEET KILLING YOU?

The holidays are fast approaching and you know what everyone is hoping to get this year? New feet! Well that won't happen but what you can get is shoes and orthotics that don't hurt! Have you given up on finding comfort and relief. Don't stop believing -because foot comfort is not a myth or story. It really is a possibility when you go to a store that specializes in finding help for people's feet problems. Are you looking for a shoe store that cares about you and your personal comfort?

If you are tired of sore, achy feet there is only one store that can ease your pain, Best-Made Shoes. Since 1977, Best-Made Shoes in Bloomfield has second and third generation pedorthists, Gene and Marc Rosen, helping your family's foot problems. They have carried on the family tradition of custom-molded shoemaking to relieve your pain. This pair became the first father and son board-certified pedorthists in the history of Pittsburgh.

When was the last time you got measured and properly fitted by certified and licensed pedorthists? Aren't you tired of getting your shoes on-line, at the department store or through a pharmacy? Tired of spending hundreds of dollars on ready-made arch supports that come out of a box from national chains. Shoes and inserts that don't fit and cost so much money. It's like throwing money down a well, enough is enough!

At Best-Made Shoes you can finally get the help you need for you and your loved ones. They can handle the special needs of people with arthritis, shin splints, heel pain, flat feet and more. They will professionally fit and measure you with the largest selection of Birkenstock, Alegria and Finn in Pittsburgh! Best-Made Shoes has the best styles from New Balance, Drew and Dr. Comfort based on your individual needs. They have been in business for over 38 years and 3 generations!

They aren't in business this long by accident. They have helped thousands of people walk better and relieve their pain. Pittsburgh's leading doctors, therapists and surgeons have been recommending Best-Made Shoes since 1977. This store is the only store in Pittsburgh that does everything for your feet!

They have custom-made shoes and orthotics made on-site, not from another city or country! Shoe repair done on-site and right the first time! Largest selection of diabetic footwear and a provider with Highmark, UPMC, Aetna, Medicare and More! They even make house calls available to customers who are unable to visit their store. If you need custom-made Birkenstocks, running, walking and extra-depth shoes or just a comfortable pair of shoes that fit. Best-Made Shoes is the store for you!

Best-Made Shoes has only their family helping your family find comfort and relief. Stop by today and see what thousands of people have known for 3 generations.
